

# **AWP xChange**

## **Sponsorship Opportunities**

**Houston, TX**

**May 13-14, 2026**

**Santiago, Chile**

**April 22-23, 2026**

## O3 Solutions is excited to open sponsorships for two AWP xChange events in 2026.

- AWP xChange Santiago – April 22-23, 2026
- AWP xChange Houston – May 13-14, 2026

This invitation-only event is rapidly becoming the premier AWP and project delivery event for Owners, EPCs, and Contractors to explore how teams can successfully implement and support Advanced Work Packaging and other prominent project delivery methodologies with leading software and training resources.

### What Sponsors Gain — Beyond the Logo

**Thought-leadership visibility:** Premier Sponsors have a dedicated 30-minute slot to share real-world case studies, elevating your brand as a trusted, practical leader in AWP and digital project execution.

**Broad exposure across media:** From printed materials on-site, to digital invitations, social media, and the AWP xChange landing page, your brand reaches a curated audience of industry leaders and decision-makers.

**Connection to top-tier clients and partners:** The events draw engineers, owners, contractors, and major EPCs, offering potential for deeper relationships, co-branding, and collaborative opportunities. Vendor participation is strictly limited to sponsorships, so 90%+ of the attendees will be potential clients.

**Regional influence with global reach:** With AWP xChange now spanning North America and Latin America, sponsors gain visibility in multiple geographies, ideal for organizations looking to expand their footprint or demonstrate cross-market capabilities.

# Sponsorship Opportunities

## Premier Sponsor: \$6,000 **LIMIT 3**

- (3) tickets to (1) AWP xChange of your choice. Additional tickets can be purchased for \$250 each, limit 5 representatives per Premier Sponsor.
